TRAINER PROFILE

En Muhsin Ahamed has been providing training and consultancy for numerous companies through FMM for the past 15 years. He is also a part-time lecturer at the International Islamic University Malaysia, teaching topics on quality assurance and quality control. Prior to 1996, before affiliating himself to FMM, he was with Motorola, Seagate, B. Braun and Likom working in manufacturing and human resource development areas. Muhsin obtained his Bachelor of Science, majoring in Chemistry in 1982. Due to interest and professional requirements, he pursued certificates in computer programming, electronics engineering, management and HRD. In line with the principle of life long learning, he is working towards his doctorate in quality engineering at Universiti Teknikal Melaka. He is expected to graduate in the next couple of years. Muhsin has hands-on experience in implementing various modern manufacturing and quality control techniques such as QCC, JIT, SCM, GT Cells and 5S Housekeeping. As a Human Resource Development Manager, he has designed, developed and implemented various training programmes in Management, Supervisory, Quality Control and Manufacturing Technology. As an individual who has hands-on experience in manufacturing and also training and development function, Muhsin brings with him not only a professional training approach but also real life practical tips on implementation of the ideas.
