## Brief Overview

The Financial year of 2018/2019 was a busy year for FMM Perak under the Chairmanship of YBhg Dato' Gan Tack Kong. The Branch views this as a positive sign as members are now more aware of the services and benefits provided by FMM. This resulted in more members coming forward with their issues and problems mostly related to government departments and government agencies. For instance, the Branch initiated a number of engagements with the Perak Royal Customs Departments on the delays in approval for export permits; power interruptions and disputes with TNB over Customers Connection Charges; infrastructure issues at industrial estates with local councils and poor broadband connections with TM.

The Branch also organised the FMM "Teh Tarik" Session with the Honourable Minister of Human Resources, YB Kulasegaran on March 8, 2019, at FMM Perak which enabled members to raise their concerns on the new policies for recruitment of foreign workers, minimum wages, SOCSO benefits and proposed amendments to the Employment Act. We also initiated the Study Visit jointly with the Perak State Government to the Batu Kawan Industrial Park and Kulim High Tech Park on January 8, 2019 to learn their best management practices and investment strategies. YB Dato'Seri Ir. Haji Mohammad Nizar bin Jamaluddin Perak State Exco for Investment and Corridor Development joined us for this visit.

The Branch as part of its CSR programme jointly organised the inaugural OKU Job Fair 2018 on August 8, 2018, with Yayasan Sultan Idris Shah, Day Break Association, Labour, Welfare and Education Departments. The Branch also created history when His Royal Highness, the Sultan of Perak for the first time graced the FMM Perak 50<sup>th</sup> Annual Dinner on October 25, 2019 at Casuarina@Meru Hotel, Ipoh.
